<b>Seasonal Acai Bowls</b>	Please check directly with our staff members if you have any food allergies prior to ordering or eating our products.											

Project Acai makes every attempt to identify ingredients that may cause allergic reactions for those with food allergies. Every effort is made to instruct our staff on the severity of food allergies. However, there is always a risk of contamination and a possibility that manufacturers of the foods change their formulation at any time, without notice. Customers concerned with food allergies need to be aware of this risk. Please be aware that our facility prepares foods and uses ingredients in our products that contain nuts or nut oil. If you have any type of food allergy, please refrain from eating our products.
